DANI

SUBLIME MASTER *Order of Light & Illusion*

I have been photographing weddings since I was 16. I'm a sucker for making friends with my clients, and capturing you in a raw and authentic way, that produces portraits of you and your loved ones that are timeless. You should look back at the photos and hear the laughter, feel the tears, and vividly remember the warmth of the embrace.

**YOUR PORTRAITS
SHOULD LOOK +
FEEL LIKE YOU**

When it comes to my approach- let's have fun! Dance, laugh, cry (I literally always get super emotional at your weddings), and sit back and enjoy your day as it happens. Skip the intensity, do it your way, and let me worry about capturing the moments as they happen.

THE BLACK MARKET SPECIAL

STARTING AT \$250

Does your big day look like someone special to you performing your ceremony, but they can't because they aren't licensed? No problem - let me make you official at your rehearsal. Then your uncle Bob can crack some dad jokes instead (I handle all the paperwork for you).

CUSTOM WEDDING CEREMONIES

STARTING AT \$575

Work with me to create a customized ceremony that makes your day extra special. Typically this involves me sharing some of your story, a modern message about love, all the ceremony essentials, and anything else you wanna do (sand pouring, candle lighting, couples tattoos, goat sacrifice.)

TESTIMONIAL

“I don’t even know where to begin! Dani and Andy were absolutely amazing to work with! When we booked them it was before the pandemic and planning our dream wedding. Once Covid hit we had to change/cancel everything and the both of them made it so easy. They were extremely helpful and understanding and still made it feel like our dream wedding!! You need to book these two as a duo because you will not regret it! Dani makes you feel so comfortable in front of the camera, which was a bonus for my husband! You will also end up with two amazing friendships at the end of everything”
